

QUICK WRITE - Science

At the beginning of class spend no more than 5 minutes and answer these questions in your composition book. Answer each question on a different page. At the top of the page, put the date and the question number: Ex. 8/25/10 #1. Return your composition book to the designated place.

10/11/2010

1. "Cut back on your possessions. The more you own, the more time you waste taking care of things." - The Delany Sisters

Decide what you think about the recommendation, and then argue the **opposite** position.

10/12/2010

2. Suppose you have been asked to revitalize the sitcom industry by creating a new, original show. Write at least 2 paragraphs about your show, explaining what it's about, where it will be set, and what kind of actors it will star.

10/13/2010

3. You're never as witty and smart in the middle of a confrontation as you are after it's over. Imagine you are back in the thick of an argument you once had, and write out the eloquent, intelligent remarks you should have made at the time.
