

QUICK WRITE - Science

At the beginning of class spend no more than 5 minutes and answer these questions in your composition book. Answer each question on a different page. At the top of the page, put the date and the question number: Ex. 8/25/10 #1. Return your composition book to the designated place.

10/18/2010

1. Do you think you are more like your mother or father? Or do you think you resemble on in looks and the other in personality? Whom would you rather resemble?

10/19/2010

2. The nature (inherited genetic characteristics) versus nurture (our upbringing and other social influences) is often debated. What do you think? Do you think that genetics determine who we will become, or do the people and things around us have a greater influence?

10/20/2010

3. If you had to give up one technological advantage that you use all the time, what would it be? Do you think you would be better off without it?

10/21/2010

4. List at least 10 qualities you think the perfect friend should possess, ranked in order from most to least important. Do you know anyone that comes close to being that "perfect" friend?

10/22/2010

5. It's easy to criticize people we don't know. Do you feel you're fair to other people, especially those you don't know very well, or do you criticize too much?
